

WHY THE TRADE ARE CHOOSING SPECTUS WINDOW SYSTEMS.

WINDOWS | DOORS | CONSERVATORIES

For more than twenty five years Spectus Window Systems have been specialists in the design, extrusion and distribution of high quality PVC-U to the UK and throughout Ireland. And still are.

From its state of the art extrusion plant, Spectus is one of the largest manufacturers of high quality PVC-U products. Recognised as having the most comprehensive range in the market, Spectus offers a complete range of conservatory, door and window parts, including Casement, Fully Reversible, Tilt & Turn and Vertical Sliders. All available in a wide range of colours and woodgrain foil finishes. All this with thermal and energy efficiency as standard.

Spectus Window Systems will provide you and your business with the complete solution, ensuring simplicity in fit, consistency in finish and outstanding back up and support.

With Spectus, the difference is clear to see.

Join Spectus and benefit from:

- Products manufactured by one of the UK & Irelands largest specialists
- Market leading product range that is easy to demonstrate and fit
- Energy efficiency and sustainability as standard
- Unrivalled technical support
- Sales and Marketing support material kits including sales brochures, product information and business aids
- Access to Spectus' own marketing resources for any further support on your own marketing requirements

Become a Spectus approved fitter and benefit from outstanding business support and unrivalled technical assistance
