The difference is clear to see

Patio Doors

Spectus sliding patio doors are a versatile option and ideal for both conservatories and porches. The locking system provides security through outward opposing hooks which prevent the leaf from being lifted from its frame. Post co-extruded sashes result in an easier, faster, cost efficient solution.

Features at a glance

- Available in two, three or four pane options providing choice in the door style available
- Optional mechanical outer frame allows outer frame to be flat packed for easier transportation
- Dedicated frame coupler
- High security four hook locking mechanism
- Purpose designed Mid-Rail provides the ability to incorporate a letter box
- Smooth sliding action, the doors can be fitted to the internal or external track
- A wide range of colour and woodgrain foil finishes available
- Compatibility with other hardware across all Spectus' product range, ensuring consistency in design, installation and finish

10 YEAR GUARANTEE

All Spectus products come with a 10 year guarantee
